Profile

Experienced carpenter and joiner with 20 years of practical work and over 10 years running my own carpentry business in Spain. I handle complete projects independently: planning, quoting, manufacturing, installation and finishing. I work with all wood species and deliver precise, durable results. Now looking for a full-time carpentry position in Norway.

Work experience

Master Carpenter (own business)
2015 - present

Self-employed · Barcelona, Spain

- Manufacturing and installation of solid wood windows, doors and staircases
- Installation, sanding and refinishing of hardwood floors and parquet
- Terraces, pool decks and outdoor wood structures
- Kitchen installation; design, building and assembly of custom furniture
- Interior renovation projects covering all trades except plumbing
- Decorative wood carving and high-quality surface finishing
- Project management: site measurement, planning, quotes, material purchasing, handover
- Clients: private homeowners and construction companies

Carpenter & Joiner
2006 - 2015

Spain

- Joinery, furniture making and on-site carpentry
- Floor installation, restoration and finishing works

Key skills

- Wood floor installation
